"We have presented it"

Then what is our president doing on the 6th? He implies something new.

I came here to say this. I'm tired of trusting the plan. This Wednesday is all or nothing and if we don't win, all the "ticks" have been "tocked".

There has never been a plan to trust, the plan is us. It's patriots showing up on January 6, calling our Congressmen, etc. <https://stopthesteal.us/house.cfm> <https://stopthesteal.us/callnow>

That's not what they've been telling us. They told us they had damning evidence that would shock the world and Trump would win. I believe them, I trust Trump. Never have they insinuated that they've played their hand and that we as a people would have to rise up. I'd be happy to rise up with my local militia but this is not what all conservative influencers have said. They said they've seen the evidence we haven't and that it was still to come.

They've spent 2 months presenting the evidence. If the country had an honest press the fraud and "irregularities" would be front page news 24/7 and people would have already been taken in for questioning by the FBI and the election result would have been overturned. Congress and the Senate would be holding emergency public hearings etc etc. But the country does not have an honest press, its as simple as that.

We need to tear the City down, ransack the Supreme Court and the Capitol building, these clowns need to be sent a message that WE THE PEOPLE RULE, not these deep state cowards.

What better way to expose the crooks than via a LIVE DEBATE that the whole world will see when the House and some on the Senate refuse to accept the Electors, then when Pence demands to see the Evidence, that is when you present all the facts, the facts that will make Patriots rise up and go to war if needed to stop a commie take over by what I have come to see both Dems and REPUBLICANS for what they are, they are nothing but deep state sell outs who have sold us out to foreign money and they all, IMHO need to be tried for Sedition and hanged.

Isn't there a huge stage built near the White House? My bet is there will be lots of TVs there and Trump's team will be showing all the evidence to make sure millions see it and live it, live.

And every news station will be censoring the live event if showing it at all. Need to get people to tune into Rightside Broadcast, OANN, WarRoom, Real America's Voice, etc...

Exactly, and I find it frustrating that it's being pushed to the last minute. We have only one Senator that has publicly stated that he would object to the election results, all it takes is a false positive and he won't be able to be in chambers to object. The Dems have figuratively taken the chess board, right before they're checkmated and dumped it on the floor. They did this when they shredded ballots, and blocked audits.

I'm optimistic that they're will be something new come out and that actions will be taken, that it won't lead to another roadblock put there by the Dems.

Georgia, Wisconsin and Arizona look likely to decertify if we keep calling their Legislators

[https://stopthesteal.us/search\\_legislators.cfm](https://stopthesteal.us/search_legislators.cfm)

We also need to keep calling our House Reps and Senators <https://stopthesteal.us/house.cfm>

<https://stopthesteal.us/callnow>

And, we need to be in DC on January 6. Stop dooming. Jan 6 isn't our only hope. We need to stay FOCUSED.

He saying they shows the evidence and hoped people would do what's right. Since they didn't, they are going to expose them all, including those new backstabbers, and take them all down. There was an easy road and a hard road.

arresting criminals is a peaceful option that shouldn't result in any patriot deaths. Random poll counters running ballots through 5 times and nursing home employees registering 200 geriatrics and voting for all of them ... these people aren't going down guns blazing

It's obvious both parties are corrupt there's no way fake elections of this magnitude could be implemented without both the sides being complicit. Nancy and Mitch have been working together for decades.

Let's just say 10million were to show up at Washington. Do you know what that would look like? Now imagine all the people who couldn't make it, but are loyal to republic. It's about scaring the shit out of them and letting them know we're ready to take the country back.
